

Cast Your Bread  
By Steve Gibson

Intro: Noodling on D for 2 measures, then chorus chords

If we want love to flourish                   D  
A wise man once did say                   G D  
Don't hold it tight. Don't lock it up  
He said give it all away                   A D

Chorus

He said . . .  
Cast your bread upon the water           G D  
Throw love upon the wa-ves           G D-A  
Spread more kindness where it's needed   G D  
Show the world a better wa-y           A G-D  
(turn chords)                           A D

There is poison in our country           D  
That has torn apart our land           G D  
The fear and hatred, the us or them  
Now's the time to take a stand           A D

So cast your bread upon the water           G D  
Throw love upon the wa-ves           G D-A  
Spread more kindness where it's needed   G D  
Show the world a better wa-y           A G-D  
(turn chords)                           A D

Bridge:

We're all in this together           A  
Neighbors in this land           G D  
Instead of shaking fists           A  
Try offering your hand

Break of chorus

So cast your bread upon the water           G D  
Throw love upon the wa-ves           G D-A  
Spread more kindness where it's needed   G D  
Show the world a better wa-y           A G-D  
Show the world a better way           A D

Cast your bread upon the water           G D  
Throw love into the sky-y           G D-A  
Show some kindness to a stranger   G D  
It will return by and by-y           A G-D  
It will return by and by           A D
